

Emergency Management Agenda 12/12/2024

Otis Town Hall-Conference Room

Attendance: BJ OBrien, Derek Poirier, Brandi Page, Matt Clark, Eric Kreis, Tammy Weidhaas, Larry Gould

The meeting was called to order at 1:30 pm.

Approval of 4/11/24 minutes

EMPG Grant- Applied for the annual EMPG grant and ordered 4 ballistic vests for the fire department and EMS.

Winter Storm Preparedness

Emergency Generator's Town Buildings – Discussion of the need, servicing the generators at the Firehouse, and getting plugs/cord to install at highway and maintenance.

Repeater at the East Otis Station update. Which cell tower is most feasible is still in question. Marcy Road or East Otis Road. Need to find out equipment needs. Transitioned into a discussion about the State Police taking over the 911 system and new radios transitioning to 800 mhz. We will schedule a meeting with Fire Chief, Asst Fire Chief and Larry Gould after January 1 in regards the repeater on a cell tower.

Contact list for emergency officials. –Complete

Police and highway discussion for enforceable bylaws for winter parking and plowing across the road and the process to move them forward.

Discussed the Robo Calls and website and getting more people to subscribe and sign up phone contact numbers.

The meeting adjourned at 2:30 pm

Submitted,
William OBrien
